... FROM OUR PRESIDENT & CEO

Brad Emerman

Welcome and thank you for taking the time to review our new 2026 – 2027 ProNine Sports catalog.

This season, we're proud to continue supporting players, coaches, and fans at every level of the game. Whether you're stepping into the batter's box for the first time or competing for a championship, our mission remains the same: to provide quality gear and trusted service that help you play your best. We've introduced new innovations this year, each designed with your performance and comfort in mind—because we know that details make the difference when it matters most.

On behalf of everyone at ProNine Sports, thank you for being part of our community. Your continued trust and loyalty inspire us to keep improving and pushing the game forward. We're honored to share the season with you—on every field, in every dugout, and with every team that plays for the love of the game. Here's to a season filled with unforgettable moments and the joy that only baseball and softball can bring.

ProNine, A Better Way to Play!

CHEST PROTECTOR:
Measure from the
bottom of your
neck to your navel.
Match this
measurement,
in inches, to
our closest model
number.

HELMET:
Measure the
circumference of your head
just above the ears. Divide
this number by 3.14 to get
your helmet size.

LEG GUARD:
Measure from the
middle of your knee to
the top of your ankle. Match this
measurement, in inches,

CPU HARNESS
Replacement harness for chest protectors

ProNine's Chest Protector offers six thick plastic plates embedded between foam layers under mesh fabric to safely disperse ball impact. You can't see them, but you'll be glad they're there to protect your body. Our CPU has been used at all levels of professional, minor league baseball, college baseball & fastpitch softball.

MEASURE FOR PROPER SIZE & FIT

Starting from the top of the breast plate (bone directly under the chin) measure down to the top of the waist. This is the "length in inches".
