...from Our President & CEO

It is that amazing time of year again as we open a new season on the diamond. The last two years were a lot for all of us. Now we are back on the field playing the game we love. We have developed the ProNine product line with a love for the game. Quality, family, team, care, service, partnerships, performance and growth is what ProNine Sports is all about. Be confident in our brand and enjoy our products. **Love the game.**

"In playing ball, and in life, a person occasionally gets the opportunity to do something great. When that time comes, only two things matter: being prepared to seize the moment and having the courage to take your best swing."
